

Ammos Collection

New color shades!

Since 1972

Ammos Collection

RAL Super Durable

The successful Ammos collection is enriched with **11 new color shades**.

The RAL super durable shades of Ammos Collection with fine texture finish, combine excellent behaviour in outdoor conditions with high mechanical properties and outstanding appearance.

All colors of the collection, meet the contemporary architectural needs for superior aesthetic results and offer excellent protection from the high intensity of solar UV radiation.

The RAL super durable shades of Ammos Collection are at least three times more weather resistant than smooth color, such as glossy and matt, Class 1. The color shades are approved according to **Qualicoat Class 2**.
